§ 19.243 Withdrawal bond.

Any person (or, in the case of a corporation, a corporation and its controlled subsidiaries) operating one or more distilled spirits plants within a region and who intends to withdraw spirits from bond on determination, but before payment, of the tax shall, before making any such withdrawal, furnish a withdrawal bond to secure payment of the tax on all spirits so withdrawn. Such bond shall be in addition to the operations bond, and if the distilled spirits are withdrawn under the withdrawal bond, the operations bond shall no longer cover liability for payment of the tax on the spirits withdrawn. For the purpose of this section, a controlled subsidiary is a corporation where more than 50 percent of the voting power is controlled by the parent corporation. The bond, if it covers more than one plant, shall show as to each plant covered by the bond the part of the total sum which represents the penal sum (computed in accordance with § 19.245) for each such plant. If the penal sum of the bond covering a plant, or the penal sum allocated to any plant (where the bond covers more than one plant), is in an amount less than the maximum prescribed in § 19.245, withdrawals from such plant shall not exceed the quantity permissible, as reflected by the penal sum in the bond for such plant. Such withdrawal bond shall be conditioned that the total amount of the bond shall be available for satisfaction of any liability incurred under the terms and conditions of such bond.

(Sec. 805(c), Pub. L. 96–39, 93 Stat. 276 (26 U.S.C. 5173))

§ 19.244 Unit bond.

Any person (or, in the case of a corporation, a corporation and its controlled subsidiaries) who would otherwise be required to give bonds for both operations at one or more distilled spirits plants (and any adjacent bonded wine cellars) and withdrawals from one or more distilled spirits plants within a region may, in lieu of furnishing separate bonds for operations and withdrawals, furnish a unit bond containing the terms and conditions of the bonds in lieu of which it is given. For the purpose of this section, a controlled subsidiary is a corporation where more than 50 percent of the voting power is controlled by the parent corporation. The unit bond shall show as to each plant covered by the bond the part of the total sum which represents the penal sum (computed in accordance with § 19.245) for operations at and withdrawals from each plant. If the penal sum of the bond covering a plant, or the penal sum allocated to any plant (if the bond covers more than one plant), is in an amount less than the maximum prescribed in § 19.245, operations at and/or withdrawals from such plant shall not exceed the quantity permissible as reflected by the penal sum in the bond for such plant. The unit bond shall be conditioned that the total amount of the bond shall be available for satisfaction of any liability incurred under the terms and conditions of such bond.
